Speaking and Consulting

Influential *Speaking*

Planning International Corporate Events:

Do you want international corporate clients? If so, join us and understand the process and what it takes to get your desired clientele. This tell-all session will cover the following topics:

- Counting the cost
- Risk management (effects on your business and the client)
- Resources (internal and external)
- Cultural differences
- Currency and payment
- Strategic Selling Techniques

Tami Forero, CEO of Forté Events Inc., speaks annually at event conferences as well as numerous industry chapters, and nationwide associations. With over twenty years of experience in the event industry and a corporate background, Tami Forero is a knowledgeable source in the areas of sales, marketing, experiential learning, and obtaining a successful business and balanced life.
