Successful Business: Balanced Life

Do you work excessive hours? Do you do everything in your company? Are you making the money you deserve? Are you hoping that someday all your hard work will pay off? If so, do not miss this tell-all session on how to have a successful business while living a balanced life. Learn how to grow your business in such a way that you are creating a better life for you and your family. Don't waste another year hoping for change; make it happen now!

Tami Forero, CEO of Forté Events Inc., speaks annually at event conferences as well as numerous industry chapters, and nationwide associations. With over twenty years of experience in the event industry and a corporate background, Tami Forero is a knowledgeable source in the areas of sales, marketing, experiential learning, and obtaining a successful business and balanced life.
